Eligibility

This field is read only.
The round this submission is in.

Application Number

This field is read only.
If you do contact us throughout the application process, please quote this application number.

Project Location

The proposed project must be delivered within the nominated City of Gold Coast Division and be located within the City of Gold Coast local government area.

The local Councillor for the Division in which the project is located is a key stakeholder in the assessment process and may choose to support or not support the project. For projects that provide a community benefit for more than one Division, please select Whole of City (Mayor).

If you are unsure which City of Gold Coast Division your project is located in, you can identify the correct Division by entering the project address on the [Electoral Commission Queensland website](#).

By submitting this application, you confirm that the project is located within the nominated Division. Applications that are found to be located outside the nominated Division, or contain incorrect divisional information, may be deemed ineligible and may not proceed to assessment.

In which Division is your project taking place?

Councillor Consultation

Consultation with the relevant Divisional Office, or the Office of the Mayor for Whole of City projects, is required prior to submitting an application.

Applicants who have not consulted with the relevant Divisional Office or the Office of the Mayor are encouraged to do so before commencing their application.

Contact details for all Divisional Offices and the Office of the Mayor can be found [here](#).

Divisional Office / Office of the Mayor consultation

☐ I confirm I have spoken with the relevant Divisional Office / Office of the Mayor regarding this project.

CERTIFICATION

If this application is approved, a Funding Agreement will be issued to your organisation outlining the approved funding amount, the purpose for which the funding is provided, and any terms and conditions associated with the grant.

Funding will not be released until the Funding Agreement has been signed and returned to Council. By signing the Funding Agreement, your organisation agrees to comply with all funding conditions and acquittal requirements. Failure to comply with the terms and conditions of the grant may affect your organisation's eligibility for future funding.

I (the applicant) am authorised by my organisation to complete and lodge this application and I will ensure that:

- All information detailed in this application is true and correct.
- My community organisation will maintain adequate insurance cover.
- All permits, approvals and licences relating to this project will be obtained.
- All workplace health and safety requirements will be met.
- Our project will commence and conclude within the dates specified in this application.
- This community grant will only be expended for the project as described in this application.
- Any unspent grant funds will be immediately returned to Council.
- Council is not liable or responsible for the project or liable to meet any shortfall in the project budget.
- All financial records relating to the community grant will be retained and identifiable in the financial statements of the community organisation.
- All grant funds provided under this program will be acquitted within four weeks of project completion.
- Council's contribution is appropriately acknowledged by using the City's logo in printed material, on the community organisation's website and/or acknowledgement at the event.
- The supplied logo will be used in accordance with the City's guidelines.

By submitting this application you consent to publishing the community organisation's name, project description and amount funded on the City's website. This information may also be used for promoting the Community Grants Program.

I understand and agree to the above. *
